Clean Up of Summer Dresses!

We are now making prices on a lot of Summer Dresses to clean them up at once to make room for our fall stock which is fast coming into the department. These are odd dresses left from our season's large stock of these desirable dress models. You now have two months' at least to wear these thin dresses. The styles are good, the materials are the best, the price is very small.

At 98c are a lot of dresses that are extra values, are worth from \$2.00 to \$3.50, now at less than the price of the material alone.

At One-half price are a lot of odd dresses in both light and medium colors, such as voiles, dimities, linens, and in combinations of different materials. These are values from \$3.50 to \$7.50, now at only one-half price to close.

Clean-Up Sale of Coats

We are putting prices on a lot of odd Coats to close them at once. These are Coats of different materials—no two alike.

At 98c each are eight Coats that are made of a good quality material. The style, while not the best, is not bad, and the materials are the best. Are qualities that sold at from \$8.75 to \$15.00. The materials would be good to make over into a child's coat. The price is only 98c each.

At \$1.98 are a few Raja Linen Two-piece Suits. These are a good Suit for the next two months' wear. The quality and style are all right. The regular prices were from \$6.50 to \$10.00; now, to close, at only \$1.98. The skirts alone are worth twice that price.

At 98c are a few odd White Skirts that sold at from \$3.00 to \$5.75. To clean up at 98c each.

At one-half price are what we have left in White and Colored Skirts.

New Fall Skirts

We are now ready with our early fall showing of Ladies' Separate Skirts. While this is early to begin to talk of the new fall materials we find that many like to get the early selection of the new materials as soon as they are in.

The new fall Skirt styles are very attractive this year. The materials are different, and the styles entirely new. These are the M. & C. and Veits Brothers lines of Skirts, which is a guarantee as to quality and style.

The special values we are showing are priced at \$2.98 to \$3.98. Are made from an all-wool Serge and are in the latest style.

Our popular lines and styles are those we sell at from \$5.00 to \$5.75, and these we are showing in a large range of styles and in the season's best materials.

At from \$6.50 to \$10.00, we have some extra values in Novelty and Silks. These are made in extra good styles that are different.

Silks for Fall of 1915

New Silks, new in make and new in style. These are very beautiful. The most of these Silks come yard wide, so that a garment can be cut with less waste and less seams than from narrow Silks.

Prices on these Silks are very low, selling at \$1.00, \$1.25, \$1.35 and \$1.50—yard wide.

We have a notice this morning that colors of Navy and Cadet in all foreign dyes will be off the market in many kinds before the fall business is fairly under way. German dyes are nearly all at the present time held up. Conditions seem to be growing worse. We do not expect to see another good lot of Navies, Reds and Cadets until the war is over.

If you have Dress Goods to buy, you can now be sure of foreign dyes. Later reliable manufacturers will not pretend to sell these colors. We will not use domestic colors in Dress Goods; we will go without. So, if you buy here, you will get the best or not any.

Specials for a Few Days

Twice each year we have a Remnant Sale. These Remnants are now on one of our bargain tables. This is an assortment of short lengths from all of our departments, marked so that anyone can make a saving of one-half or more on what they can use.

One table of 50c goods. These are all this season's goods—odd lots that sell now at less than cost, 29c per yard.

Hoagknit Sweaters

This is the season for Sweaters. We sell nearly as many now as in the winter. Ladies use them on outing trips; they wash perfectly, keep their colors, and are just the thing for cool evenings and rainy weather. We have a special in a Shaker Sweater that we sell in all colors at \$5.98.

Children's and Ladies' cheaper Sweaters from 98c up. Ask for HOAGKNIT SWEATERS and get the best your money can buy.

The increased demand for Ladies' Silk Hose has been encouraged by improved quality. Ask to see 50c Silk Hose Special in black, white and colors.

The eighth annual Eastern Star ball will be held in Brookfield town hall on Thursday evening, Aug. 26. Music, Carroll's orchestra. Dance and supper, \$1.50 per couple. All welcome.

A party of nine campers returned to this city last night from Pigeon pond in Groton, where they have been spending the past 10 days. In the party were: Mrs. Glenn Perry, daughter, Dorothy, and son, Wayne; Mrs. Ruth Perry and daughter, Thelma; Miss Grace Newhall, Mrs. Ella Russell, Mari Perry and Lyndol Lebourveau.

Among the guests at Hotel Barre yesterday were Mr. and Mrs. F. E. Barnes and Miss Darlington of New York City, Mr. and Mrs. H. S. Hughes of Boston, J. M. Small of Boston, W. L. Telloston of New York City, A. E. Watson and Margery Watson of White River Junction, Mr. and Mrs. H. L. Johnson and Mr. and Mrs. A. Worthington of Burlington.

The management of Carroll's orchestra report a rather full schedule for the remainder of the week. To-night they play for a dance at Dewey park given by the Italian girls' sewing club. Thursday night they play at a dance in Brookfield. Friday night they go to North Haverhill to fill an engagement and Saturday night they return to Barre to play at the regular Saturday night dance at Dewey park.

After negotiating for the past two days, the Italian Athletic club and the St. Johnsbury baseball nine have arranged for a game of ball to be played on the Italian A. C. grounds off Berlin street on Thursday of this week. Last Saturday at St. Johnsbury the two teams played 11 innings to a tie, having to stop on account of darkness. This game will have considerable to do with deciding the state championship of semi-professional baseball. The same pitchers that were used Saturday will do the twirling for the teams this week. Western for the Italians and T. Davidson for St. Johnsbury.

AMUSEMENT NOTES.

To-night "A Fool There Was," at the Barre Opera House.

The weird, wild, fascinating and emotional dramatic success of Mr. Robert Hillard's "A Fool There Was" will be offered at the opera house to-night. Human whims and follies, and passions and emotions which animate the men and women of to-day are what Rudyard Kipling analyzed when he wrote "The Vampire," which poem is so true to life that it has startled the world with its frankness. It was this poem which was utilized as a foundation by Porter Emerson Browne, for his great drama, "A Fool There Was," which has had another startling effect on the public, as the play so vividly portrays the same subject as the poem, only from a dramatic viewpoint. It is as a sequel of deception as is the original poem.

For two seasons Mr. Hillard used this great play as a starring vehicle to capacity business at every engagement in the larger cities and until this season it was not thought advisable to change, however, Mr. Robert Campbell, the present manager, through special arrangement with Messrs. Klaw and Erlanger has decided to play through the country presenting a company and a production of the same caliber that has been seen in the past.

For the information of the public it is stated that this is not a motion picture, but is played by living flesh and blood people whose every word and gesture give vent to the author's conception of so great a subject.—Adv.
